

Hot air balloon *ride*

Take off in the early morning, beside the Castle.

The experience lasts approximately 3 hours and the length of the flight is around 1 hour.

The hot air balloon ride takes place only with good weather conditions.

The balloon will fly at an altitude between approximately 300 and 500 meters (1000 and 1200 feet).

After landing, you will celebrate by enjoying a small traditional breakfast with a bottle of wine.

The length of the flight and direction are determined by the wind and cannot be controlled by pilot. The duration of the flight time can be reduced or extended for safety reasons; this will not influence the cost of the flight.

Not suitable during pregnancy and for children under the age of 6.

Only passengers taller than 120 cm (4 feet) are admitted.

Cancellation policy:

for cancellations prior to the service date 30 days 30% penalty; from 29 to 10 days prior to service, 50% penalty; from 9 days 100% penalty, 100% penalty will be applied.
